

# INSERM 33 Project follow up #1

Ugo Vidal, Marie Terrien, Alexis Dupis, and Yohan Lefol

December 18, 2019

## 1 Introduction

During the course of the meeting between INSERM 33 and prof. Urruty as well as prof. Foroughi, we discussed several aspect of the projects, however the focus remained on the project management that we, INSERM 33, have already done, and what should be done in addition to the work that was presented.
